3.6. Principle of single and individual account

It should be noted that anyone wishing to purchase a Ticket must have a single individual customer account. It is free of charge to create the account. Under no circumstances can the FFT be held liable for problems with the delivery or loss of e-mail, when such events result from circumstances beyond the FFT's reasonable control.

The FFT cannot be held responsible in the event of a technical failure, anomaly, or hardware or software issue of any kind (virus, bug, etc.) affecting the Buyer's systems, their computer equipment and the data stored therein and the consequences that this may have on their personal, professional or commercial activity.

The FFT may not be held liable, in particular, in the event of an error committed by any person and preventing their placing of an order for Tickets (in particular in the event of an error related to entering information or an incorrect e-mail address), due to the use of a temporary or disposable e-mail address or in the event of fraud (in particular through the use of an inaccurate or misleading address or information).

5. Acquisition of Tickets

The Tickets (E-Tickets) will be available from the beginning of September 2026 at the latest and must be downloaded by the Buyer from his/her personal account created for the purposes of his/her order on the Ticketing Site (or any other URL that may replace it) and, if applicable, transferred to the Bearer in accordance with the procedure set forth in Article 6 below of the GTCS, depending on the case.

6. Specific conditions for the use of Tickets

6.1. The resale/offer to resell or the exchange/offer to exchange of a Ticket, even free of charge, is strictly forbidden, as is the advertising of a resale. This restriction does not apply to the resale by a Buyer to one or more Bearer(s) within his/her private circle.

6.2. In the case of a purchase made for a Bearer or Bearers belonging to the Buyer's private circle, the transaction may take place if, and only if, the Buyer resells his/her Ticket(s) privately and for an amount that is not higher than the Purchase Price, and on condition that the Bearer accepts the GTCS.

6.3. It is forbidden to carry out any promotional or commercial activity in relation to the Tickets without the prior written consent of the French Tennis Federation. Consequently, and in particular, in the absence of a signed contract or tacit agreement with the French Tennis Federation prior to any promotional activity related to ticketing for the 2026 Tournament, it is forbidden:

Any person engaging in any activity not authorised by the French Tennis Federation within and/or in the vicinity of the Stadium may be refused access to the Stadium or ejected without any possibility of a refund.

6.4. Any behaviour by a Ticket Holder that runs contrary to Article 6 of the GTCS may result in the cancellation of his/her Tickets, for one or more Session(s), and, if applicable, the automatic termination of the contract entered into with the French Tennis Federation without any other formality being required.

In such circumstances, the Buyer may be subject to the following measures:

- a. Being refused entry to the Stadium (or even ejected, if necessary).
- b. No refund of his/her Ticket(s).

The previous provisions are without prejudice to any other action that the French Tennis Federation may take to obtain compensation for damages sustained.

6.5. Virtual tickets (E-Tickets)

The E-Ticket terms and conditions of use are as follows:

- a. An E-Ticket is only valid for the Session indicated on its front. It is neither exchangeable nor refundable.
- b. The E-Ticket must be printed by the Buyer or the Bearer, as the case may be, by their own means and at their sole expense, in portrait format on blank white A4 paper (front and back), without any modification of the print size, with an inkjet or laser printer. In the event of poor print quality, it is advisable to reprint the E-Ticket using a different printer. Accredited security personnel are authorised to search the Ticket Holder's clothing and/or belongings with the Ticket Holder's consent (in the event of a categorical refusal by the Ticket Holder, access to the Stadium may be denied).

8.2. All Ticket Holders undertake to comply with safety instructions within and/or around the Stadium. In particular, it is forbidden to cross any fence or barrier intended to contain the public, or to engage in any behaviour that is risky or likely to harm others, in particular running, jostling or sliding.

It is forbidden to disseminate any abusive, racist, sexist, political, religious or discriminatory messages in or around the Stadium. Engaging in any activity that is likely to disrupt or attempt to disrupt the smooth running of the Tournament is also prohibited.

8.3. The Ticket Holder must comply with all of the provisions set forth in the Stadium Rules, which list the objects and behaviour that are not authorised inside the Stadium.

In the event of a violation of the restriction set forth in this Article, the offender is at risk of one or more of the sanctions set forth in Article 8.7. below of the GTCS, with the French Tennis Federation reserving the right to bring any legal proceedings or action against him/her. The continuous use of laptops or electronic devices is strictly forbidden in the areas adjacent to the courts, reserved for spectators.

8.6. For reasons of sporting ethics and to maintain the integrity of padel competitions, any Buyer or Ticket Holder is prohibited from placing bets, directly or through an intermediary, by any method whatsoever (in particular through an online public communication service), in any form whatsoever (including private bets between individuals) relating to the Tournament in the Stadium. In the event of a violation of this restriction, the French Tennis Federation may take any measures it sees fit, including ejection of the relevant individual from the Stadium, without reimbursement or compensation of any kind. The FFT also reserves the right to lodge any complaint or take any legal action in relation to the aforementioned facts.

8.7. 9. Image rights and capture/broadcast of sound and video recordings

9.1. All Ticket (or pass) Holders or, where applicable, the legal guardians of the minor Holder and/or child under four years of age set forth in Article 3.3.2 above, accept and acknowledge that the Tournament and its sessions are public events, and that consequently the presence and actions of the Holder and/or the child under four years of age within the Stadium or in its vicinity are of a public nature. In this respect, the Holder is advised that he/she may be photographed and/or filmed by the FFT's teams and/or by any third party authorised by the FFT (in particular, but not limited to, media operators – television crews, photographers, print and Internet journalists, etc. – and official partners/suppliers of the Tournament and/or the FFT, etc.). Consequently, the Ticket Holder or, where applicable, the legal guardians for the minor Holder expressly authorises, free of charge, (i) the capture of his/her image by any method and (ii) the use of his/her image on all media (press, posters, leaflets, digital, analogue, etc., without restrictions as regards quantity) and for all types of broadcasting (television, cinema, exhibition, online, social networks, etc.), by the FFT and/or by any third party authorised by the FFT (in particular, but not limited to, the FFT's decentralised bodies, media operators – television crews,

photographers, print and Internet journalists, etc. – and official partners/suppliers of the Tournament and/or the FFT, etc.), for all purposes, including commercial purposes (in particular, but not limited to, the promotion of the FFT, its products/services, its business, tennis, the Tournament and its events, the Stadium, the status of official partners/suppliers of the Tournament and/or the FFT and their products/services, etc.), as well as during the televised broadcast of the Tournament, without this giving rise to any payment. This authorisation is valid for use throughout the world and for the entire legal duration of copyright protection relating to the aforementioned media. The Buyer of one or more Ticket(s) makes a guarantee to the FFT that he/she has informed the Holder(s) of the Ticket(s) of the terms and conditions of this Article, as well as the legal guardians of the minor Holder(s), and/or the child under four years of age, and that he/she has obtained their prior consent.

9.2. It is strictly forbidden to capture and/or broadcast and/or make available to the public, live or tape-delayed, wholly or partly, whether free of charge or for a fee, any sound recording and/or any still or moving image captured by any method within the Stadium (especially in the competition courts and inside limited-access areas, in particular changing rooms and areas reserved for competitors), regardless of the broadcasting method (Internet, radio, television, mobile telephones, data storage accessories or any other current and/or future media), without the prior and express authorisation of the French Tennis Federation.

This restriction pertains, in particular, but not exclusively, to:

- Capturing and/or broadcasting and/or making available and/or incorporating any still or moving images and/or sound recordings captured within the Stadium, especially on/via online community sharing websites or platforms, such as social networks, as well as within any visual and/or sound work or production (films, documentaries, etc.).

In the event of a violation of the restrictions set forth in this Article, the FFT reserves the right to take action against the offender, who may be subject to one or more of the sanctions set forth in the GTCS, without prejudice to any other sanction and/or action.

In any event, the Buyer or Ticket (or pass) Holder grants the FFT the right, free of charge, to reproduce and display to the public, on any medium, by any means and for any purpose, including commercial purposes, any sound recording and/or any still or moving image captured by the Buyer or the Ticket (or pass) Holder within the Stadium during the Tournament, or in relation to Tournament matches or practice sessions. This release is valid worldwide and for the duration of the intellectual property rights, as set forth in the French Intellectual Property Code.

10. Unauthorised spectators

10.1. No Ticket Holder is permitted to attend a Session if they are an “excluded person”.

10.2. For the purposes of this document, the term “excluded person” refers to:

- a. Any person who is subject to a competition and/or stadium ban duly imposed (i) by the French Tennis Federation’s disciplinary bodies, or (ii) by the international governing bodies of tennis (International Tennis Federation [ITF], Association of Tennis Professionals [ATP], Women’s Tennis Association [WTA], International Tennis Integrity Agency [ITIA], etc.) or padel (International Padel Federation, World Tour Padel, Premier Padel, etc.).
- b. Any person prohibited by the Stadium Owner from attending events held in the Stadium.
- c. Any person who has not complied or who is not complying with all or part of these GTCS.

10.3. If a Ticket Holder is an “excluded person” pursuant to Article 10.2. above of the GTCS, this will result in the cancellation of his/her Tickets, for one or more Session(s), and, if applicable, the automatic termination of the contract entered into with the FFT, without any other formality being required.

11. Personal data

11.1. Personal data is collected by the FFT, in its role as data controller, for the purposes of handling Ticket orders and for the way in which the Sessions are organised. The legal basis for this processing carried out by the FFT is the implementation of contractual measures. The FFT may also contact the relevant individuals in order to provide them with the information necessary to arrange their visit to the Sessions. The legal basis for this processing is the legitimate interest of the French Tennis Federation in disseminating information related to the events it runs.

11.2. The personal data processed by the FFT in this context will only be accessible by personnel authorised by the FFT and may be shared, insofar as necessary, with its potential sub-contractors for the management of the ticketing service and the Ticketing Site (or any other URL that may replace it), with the FFT's partners for the purposes of business development (subject to the prior agreement of the Buyer), and external consultants, solely within the framework of potential disputes.

11.3. In accordance with the (amended) French IT information and freedom law of 6 January 1978, and with the General Data Protection Regulation (EU) 2016/679 of 27 April 2016, the Buyer and the Ticket Holder have the right to access, change, move and erase their personal information. In addition, the Buyer and the Ticket Holder have the right to set general or specific instructions regarding the storage, deletion and communication of their personal data after their death. The Buyer and Ticket Holder may also object to the processing of their data, where the basis for this processing is the legitimate interest of the FFT in disseminating information related to the events it runs.

11.4. If the Buyer has accepted that his/her personal data be processed by the FFT or transferred to its partners for the purposes of business development, by ticking the corresponding box during the Ticketing Site (or any other URL that may replace it) sales process or on the Order Form, he/she may subsequently withdraw his/her consent at any time.

11.5. To exercise the rights set forth in the aforementioned articles or for more information on the processing of his/her personal data by the FFT, the Ticket Buyer or Bearer may contact the FFT at the following address: dpo@fft.fr. For any additional information or complaint, the relevant individuals may contact the French data protection agency, the Commission Nationale de l'Informatique et des Libertés (more information can be found at www.cnil.fr).

11.6. The bank details provided by the Buyer when paying for his/her order by bank card are stored in the FFT service provider's system empowered for that very purpose, and are subject to specific security measures. This data is stored for a period of thirteen (13) months following the date of transaction, in accordance with Article L.133-24 of the French Monetary and Financial Code. The other personal data provided during the Ticketing Site (or any other URL that may replace it) sales process or on the Order Form are stored and processed through the Ticketing Site (or any other URL that may replace it) in accordance with the Ticketing Site's (or any other URL that may replace it) privacy policies.

12. Force Majeure

12.1. The French Tennis Federation shall not be held liable for the non-execution, or late or incomplete execution of its commitments due to a *force majeure* event as defined in Article 1218 of the French Civil Code, which may result in the total or partial cancellation or the postponement of the Tournament, or the staging of the Tournament behind closed doors or with a reduced attendance (taking into account the Stadium's usual capacity), and thereby forcing the FFT to cancel all or part of the Tickets ordered for the Tournament. For all intents and purposes, endemics, epidemics and pandemics, as well as all decisions aimed at combating them made by governmental, public, administrative or judicial authorities, which are binding on the FFT and which have an impact on the running of the Tournament, will be regarded as *force majeure* events.

12.2. In the event of a Session being postponed, the initial Ticket remains valid for the Session on the new date set by the French Tennis Federation.

13. Termination of contract/Refund

If necessary, the cancellation of all or part of the Tickets ordered for the 2026 Tournament due to *force majeure* will result in the automatic termination of the contract (the GTCS) entered into between the French Tennis Federation and the Buyers of the cancelled Tickets. Tickets cancelled and/or refunded under Articles 12 and 14 of the GTCS may be refunded at their Purchase Price (excluding administration costs), to the exclusive benefit of the Buyer, under the conditions set forth below:

The Buyer, a natural person, or the authorised representative of the Buyer, a legal entity, shall obtain a refund of their Ticket via the bank card used for the purchase, on a date and in accordance with procedures announced by the French Tennis Federation at a later stage.

If payment was not made by bank card, if the bank card is no longer valid, or if it is not possible to execute the refund by this method for any reason whatsoever, the Buyer shall contact the French Tennis Federation in order to convey the method of payment via which the refund should be made. The Ticket will be refunded as soon as possible according to said method of payment.

14. Credit note

14.1. Principle: Notwithstanding the stipulations in Article 13 of the GTCS, and in the event of a legal or regulatory provision authorising it to do so, if the contract (the GTCS) is terminated due to *force majeure*, the French Tennis Federation reserves the right to offer to the relevant individuals, instead of a refund of the price of their Tickets, a credit note equal to the purchase price of the cancelled Tickets (including administration fees), which can be used under the conditions described below, unless otherwise provided by law. Where appropriate, a refund of the price of the cancelled Tickets cannot be requested during the entire period specified in the last paragraph of this Article.

14.2. Provision of information to Buyers: If the French Tennis Federation wishes to offer a credit note instead of a refund of the price of the cancelled Tickets, the relevant Buyers shall be informed within thirty (30) days of the termination of the contract (the GTCS). The information shall specify the amount of the credit note, as well as its timeframe and validity period conditions.

14.3. Conditions for credit note use: If appropriate, within (3) months of the notification of the termination of the contract (the GTCS), the Buyers whose Tickets were cancelled shall be offered a new service for which the credit note can be used, of the same type and same category as the service specified in the terminated contract (the GTCS), at a price no higher than that of the service specified in said contract, and not giving rise to any price increase other than those that may result from the purchase of related services (if the terminated contract provided such services).

14.4. Validity period: If appropriate, the relevant individuals shall be informed of the time period during which they shall be able to accept the French Tennis Federation's offer. This period shall take effect from the moment the individual receives the French Tennis Federation's offer and may not, in any event, be longer than eighteen (18) months. Failing the conclusion of a contract related to the new service at the end of the validity period set by the French Tennis Federation, the French Tennis Federation shall provide a refund of all payments made in purchasing the cancelled Tickets. If applicable, the French Tennis Federation shall provide a refund of any unused balance on the credit note.

15. Non-compliance with GTCS

Without prejudice to any other action, the violation by the Buyer or Ticket (or pass) Holder of any of the provisions of the GTCS will place the offender at risk of any one or more of the following sanctions:

15.1. Cancellation of order. Any violation by the Buyer of any of the provisions of the GTCS may result, if the French Tennis Federation sees fit, in the immediate cancellation of the order, as of right and without any other formality being required, to the sole detriment of the Buyer. In this case, the Buyer will not be able to collect the Ticket(s) that are the subject of said order, which will then be put back on sale by the French Tennis Federation, and/or will be refused entry to the Stadium, without being entitled to claim any refund or compensation.

15.2. Termination of sale. Any violation by the Buyer or Ticket Holder of any of the provisions of the GTCS may result, if the French Tennis Federation sees fit, in the immediate termination of the sale, as of right and without any other formality being required, to the exclusive detriment of the Buyer. In this case, the Ticket(s) shall be cancelled and the Buyer or the Bearer shall be refused entry to the Stadium without being entitled to claim any refund or compensation.

15.3. Denial of access to or ejection from the Stadium. Any violation by the Buyer or Ticket Holder, when present in the Stadium and its vicinity, of any of the provisions of the GTCS and/or the Stadium Rules and/or, where applicable, any Health Protocol for Spectators, may result in the Buyer or Ticket Holder being denied entry to or ejected from the Stadium. Denial of access or ejection will automatically result in the confiscation and invalidation of the offender's Ticket (including any service related to the Ticket), to the exclusion of any refund or compensation. In the event that the offender has acquired or is the Holder of one or more Ticket(s), and/or any other pass, for any day of the 2026 Tournament after his/her denial of access to or ejection from the Stadium complex, the French Tennis Federation reserves the right to cancel the said Ticket(s) (including any service related to the Ticket[s]) and/or pass, for which only the buyers will be able to request a refund.

15.4. The fact that the French Tennis Federation does not pursue any violation of any of the provisions of the GTCS by the Buyer or the Bearer of a Ticket (or pass) does not mean that the French Tennis Federation waives the right to subsequently pursue such a violation.

16. Miscellaneous

16.1. The French Tennis Federation reserves the right to modify, if necessary, these GTCS in order to ensure the smooth running of the Sessions. The French Tennis Federation shall inform each Buyer of said modifications by e-mail sent to the address indicated by the Buyer during the Ticketing Site (or any other URL that may replace it) sales process or on the Order Form, and each Buyer may, if necessary, accept these modifications, withdraw his/her order or terminate the contract (the GTCS) entered into with the French Tennis Federation. The terms and consequences of such a termination will be detailed in the aforementioned e-mail.
